

# Fort Bend Children's Discovery Center

**Explore Abilities Day** is a NEW exclusive event for children with learning differences and their families. Visiting families can enjoy the entire Museum at their own pace and also participate in the special activities of the day. We open our doors to all learning abilities to create a caring, supportive, and accepting atmosphere where children can be spontaneous to explore and learn. Connect with families, specialist, and friendly staff as we encourage all learning styles!

**This exclusive event includes the following modifications:**

- Less crowded environment
- Light and sound reduction
- Extra visual safety signage

To RSVP contact:

**Lydia Dungus**, Reservations Coordinator  
ldungus@cmhouston.org
